"Fantastic quality of speakers. Always good to catch up/network with colleagues"

"The conference was a great opportunity to share and reflect on what we already do in school. I really valued the time to think about what we need to do next. More of the same next year please"

"It was great to have a 2 day event with the opportunity to stay over and meet like-minded people. Also, just to have time away from the day-to-day business of school to reflect"

"Thank you for a superb CPD opportunity – what a fabulous range of quality speakers who really inspired me. At the start of my career I attended some amazing residential CPD events as a fast track teacher, organised by the Dfes & the NCSL. Nothing has equalled that since in terms of a similar CPD model – until this. Coupled with the bespoke ASK leadership internships, it's a powerful training structure"
