

## Useful ICT websites for teachers

### **Teacher websites:**

<http://joedale.typepad.com>

Joe Dale writes an up to date ICT CPD site for MFL teachers. This is an excellent source of ideas and helpful guides to using ICT in you teaching.

<http://www.iprimary.co.uk>

Chris Thomas, author of this website is a Yr6 Teacher at Cartwright and Kelsey CEP school in Ash, Kent and a lead ICT teacher. His site is predominately video tutorials showing how to use key technologies. This is a great resource for all teachers. Includes Flash Meeting tutorials.

<http://www.etwinning.net/en/pub/index.htm>

E-Twinning programme to bring together pupils and teachers across Europe.

### **Free tools:**

<http://lingro.com> Translation tool

[www.wordle.net](http://www.wordle.net) Word mapping tool

<http://flashmeeting.e2bn.net> Flash Meeting- free videoconferencing tool for schools. Contact Heather to get an account.

<http://gallery.nen.gov.uk/gallery-segfl.html> NEN gallery- photos free to use for educational purposes

<http://language.e2bn.org> Videos of children talking in different languages (shapes, days of the week, counting)

<http://www.languagesonline.org.uk/> online exercises aimed at KS2 and KS3 students, using task magic, quizzes, listening and matching games.

[http://www.ashcombe.surrey.sch.uk/Curriculum/modlang/index\\_primary.htm](http://www.ashcombe.surrey.sch.uk/Curriculum/modlang/index_primary.htm)

Ashcombe School in Dorking, Surrey have developed a series of resources for KS1/2
