

## Build a tower

Brett built a tower using four different coloured cubes

- The red cube was below the green cube
- The blue cube was above the yellow cube
- The yellow cube was above the green cube

Which cube was on the top of the tower?

Build a different tower using the same cubes

Write clues to show where each cube is in your tower

## Learning and Teaching Objectives

- Identify the given facts and prioritise them
- Choose and use a recording system to organise the given information
- Check the answer meets all the criteria

## Build a Tower Solution
