

### Collecting Cards

Work out how many cards each child ends up with

Lucy and Tom start with 16 cards each

There are four children collecting cards

Tom gives Nadia 12 of his cards

Tom, Nadia, Lucy and Kieran started with 55 cards between them

Lucy gives a quarter of her cards to Kieran

Nadia and Tom each start with the same number of cards

### Learning and Teaching Objectives

- Identify the given facts and prioritise them
- Choose and use a recording system to organise the given information
- Check the answer meets all the criteria

## Collecting Cards Solution

Name	Starting number of cards	Ending number of cards
Lucy	16	12
Tom	16	4
Nadia	16	28
Kiran	7	11
