

Money Boxes

Which coin would you feed into each money box to make the number pattern on the side?

Continue the pattern until you reach 50p,
(which one of them will not make exactly 50p?)

These money boxes have two kinds of coin in them.
Work out how to continue the patterns

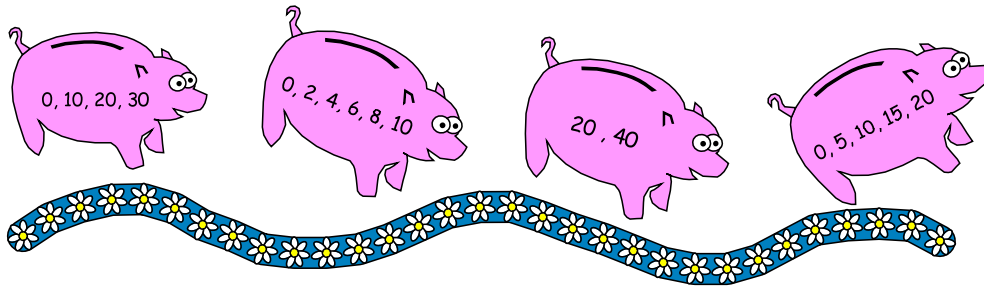

Make your own number patterns with coins

Learning and Teaching Objectives

- Describe a rule of a pattern or relationship in words or pictures
- Predict the next few terms in a sequence to test the rule
- Count on or back in small regular steps

Money Boxes Solution

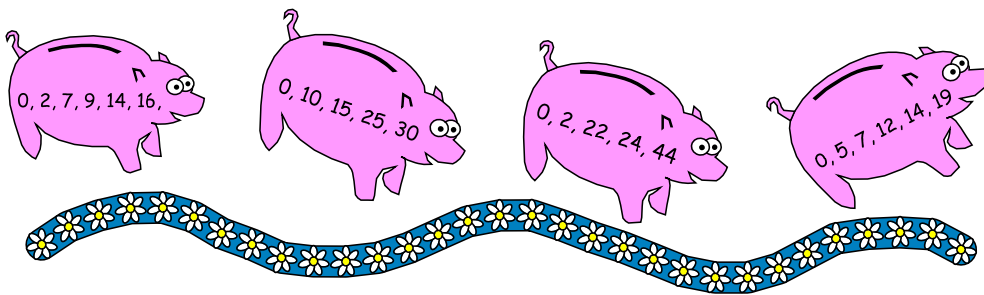

10p

2p

20p

5p

(20p will not reach exactly 50p)

2p and 5p

10p and 5p

2p and 20p

5p and 2p
