

Red Riding Hood

Red Riding Hood is on her way to Grandma's cottage.

She jumps on every other number along the path.

What number pattern does she make?

Try different ways of jumping along the path, what numbers do you land on?

The wolf is following Little Red Riding Hood, if he only stands on odd numbers what pattern will he make?

Make some different number patterns for the wolf.

Learning and Teaching Objectives

- Decide on the information you need to describe and continue the pattern
- Predict the next few terms in a sequence
- Decide whether a given number will be in a sequence or not
