

Making Patterns

Sally is doing her maths homework.
She has been asked to decorate the top of the page using different shapes.

She has chosen four orange circles and four yellow triangles.

Here are two of Sally's ideas:

Make some other patterns using Sally's shapes
Choose some shapes of your own to make repeating patterns

Learning and Teaching Objectives

- Recognise and continue a pattern
- Describe the rule for a pattern in words
- Predict the next few terms in a sequence
