

## **2007 - 2008 Additional materials for the Kent Exemplification Folders for the Early Years Foundation Stage Profile.**

### **Personal, Social and Emotional Development & Communication, Language and Literacy**

During 2007-2008 additional materials in the areas of Personal, Social and Emotional Development & Communication, Language and Literacy for the Kent Exemplification Folders for the Early Years Foundation Stage Profile were distributed with one set for each school.

These materials brought the folders into line with the changes that were made in 2007 following the Rose Review.

These additional materials are aligned to the Early Years Foundation Stage Profile that became statutory in September 2008.
