

QCA key stage 2 scheme of work for languages – still time to order free copies, but hurry!

You can still order free copies of the complete QCA KS2 scheme of work in French, German and Spanish for delivery later this term. Printing and distribution are scheduled for June. This free offer applies to the initial distribution, so get your order in now if you have not already done so!

For single copies of the scheme in each language, place your order online at:

www.orderline.qca.org.uk/mfl You will need a QCA Orderline user name and password. Most schools already have these (as do local authorities), but if not, there is an email address and a phone number on the website to contact for help.

You can order a free copy of the complete set of units for one, two or all three languages. Schools that received a free copy of units 1-12 in 2007 in any of the languages should order a free copy of units 13-24 to complete their set and may, in addition, order a complete set of units in one or both of the other languages.

Bulk orders: Those actively engaged in supporting primary schools to teach languages, such as secondary schools, local authorities and providers of initial teacher training, may order multiple copies, but should provide a brief justification if ordering more than 10 copies. Please note that bulk orders cannot be made online – you will need to send an email to orderline@qca.org.uk or phone QCA Orderline on 08700 60 60 15, stating what you want.

Why not do it now?
