

# Windmill Community Allotment Project

Do you enjoy gardening or growing your own fresh fruit and veg, herbs and cut flowers?

## NEW OVER 55'S GARDENING GROUP

Every Friday 10.30am - 1pm

At the Windmill Community Allotment Project.

A chance to make new friends, learn new skills and use your own skills, get involved in supporting this local community project and keep fit in the fresh air. On our one acre site on the corner of Dane Valley Road and College Road, facilities include: a wildlife garden and pond, kitchen, refreshments, polytunnel and compost toilet.

We are a 'not for profit' community organisation and produce is grown for sale on our market stall on site. Any surplus produce is shared out amongst those who have given their time to the project.

**NUMBERS ARE LIMITED**  
**To book a place please call**
