Youth Knowledge Workshops

C4EO for the sector
from the sector

The Centre for Excellence and Outcomes in Children and Young People's Services (C4EO) is holding 4 Knowledge Workshops for professionals across Children's Trusts.

At a time of considerable pressure in youth services, C4EO is delighted to inform you of the forthcoming events. Delegates will explore 'what works' in relation to:

- Increasing the engagement of young people in positive activities so as to achieve ECM outcomes
- Delivering better outcomes for young people by increasing the impact of targeted youth support and development
- Children and young people make healthy lifestyle choices by reducing their alcohol consumption and so improve their health, safety and well-being
