

**Primary Heads Conference Thursday July 7<sup>th</sup>/Friday July 8<sup>th</sup>**

**Update on Conference preparations:**

We have now been joined by Emma Stone who will support the conference preparations for the group.

- Letters have gone to all schools and Emma is collating the responses. To date we have had 50 register for the conference.
- All bookings have been confirmed with the speakers
- Conference group is due to meet again at the end of February

**Rationale:** The Primary Heads are organizing a conference which they intend to be funded completely by contributions from the attendees. The theme is leadership throughout the school. This is reflected in Steve Munby and Toby Salt top and tailing the conference. However it also reflects the potential of leadership to impact on our most vulnerable children and the leadership necessary for effective teaching and learning and as the leader of learning in schools.
