KCC realises many providers open in line with their feeder school term dates and staff training days. Under these circumstances, it is acceptable for your setting to use days from different free entitlement periods to make up the total 38 weeks or 190 days across the academic year. For example, if your setting is open for 14 weeks, 2 days in Terms 1&2 (Autumn) 2011 in line with their feeder school, the extra 2 days can be used to offset days in Terms 3&4 (Spring) 2012 or Terms 5&6 (Summer) 2012 where the setting is not able to offer the full 11 or 13 weeks required, also in line with their feeder school.
