

Report Writing for Care Proceedings

- A one day course delivered by members of Kent County Council's in-house legal team aimed at all CSS practitioners who may be called upon to provide evidence in Court within care proceedings.
- Suitable for practitioners with little or no Court experience but also for those with prior experience who wish to refresh and update their knowledge and skills.
- Explores various topics relevant to care proceedings, dealing not only with the key points of relevant legislation but providing practical guidance, in relation to the following:
 - Introduction to the Children Act 1989
 - Public Law Outline (PLO) update
 - Legal Planning Meetings
 - Evidence and Report Writing in Care Proceedings
 - Social Work Documents
 - Adoption Planning within Care Proceedings
- Practical exercises provide a forum for participants to raise their own concerns and seek guidance about a range of issues relating to providing written evidence in care proceedings and the Court process in general.
