

Ideas for using the funding

Permitted expenditure

You may wish to consider spending your funding on:-

- | | |
|---|---|
| Lockers | Bus turning circle in school grounds |
| Cycle and scooter storage | Guardrail |
| New access at school perimeter, only if it is on school land | Traffic calming on school access roads in school grounds |
| New path for pedestrians and/or cyclists in school grounds | New signing |
| Wider paths in the school grounds | Re-siting school fences to improve access |
| Drainage | Remote control entry system for a pedestrian gate |
| Improved lighting in school grounds | Trees to 'eat' CO ₂ |
| CCTV | Providing a laminated cycle 'passport' with a swipe-in chip for the secure store |
| On-site waiting area for pedestrians | Wet weather changing facilities, but not items such as hairdryers unless incidental to larger project |
| On-site shelter for pedestrians (e.g. parents or pupils waiting for school buses in the school) | |

Not permitted

- | | |
|--|--|
| Seed money to start off a breakfast club | Publicity and promotional resources |
| Cycle training courses when the instructors have to be paid and/or training of instructors | Tabards for walking bus escorts / passengers |
| Cycle repair workshop equipment | Trolleys for (Walking Bus) bags |
| Buying in expertise for STP-related issues | Software - for mapping and surveys etc. |
| Staff time, e.g. supervision at 'Park & Stride' drop-off points, attending School Travel Plan working groups, input into School Travel Plan activities such as car-share clubs | Subsidised bike lights / helmets / hi viz / locks for people cycling to school |
| Extra responsibility points for teachers championing STPs | Markings to rationalise parking or improve safety of pupils in the vicinity of cars; unless part of larger project |
| | Active play equipment |
