

Why is it not really OK to listen to your MP3 player when riding your scooter?

.....  
.....  
.....  
.....

What would you do if you saw people standing on the pavement talking - and in your way?

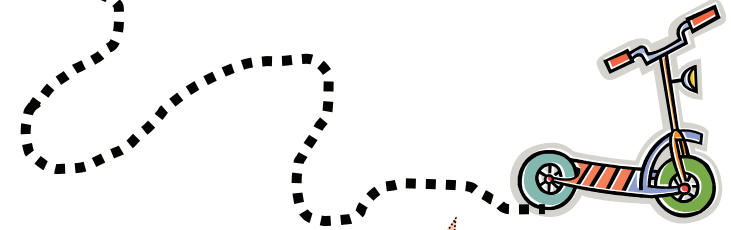

.....  
.....  
.....  
.....

Score out of 10

.....

**So**

You want to ride your scooter to school

See if you can answer these questions —most of the answers are in the story

Why should you  
always stay  
away from  
the kerb?

How would you  
cross the road  
with a lollipop  
person with  
your scooter?

Can you  
remember four  
places where it  
should be safer to  
cross the road?

Why is it  
safer to get  
off your scooter  
when crossing  
the road?

What should you  
check on your  
scooter before  
you go out?

What do you  
need to remember  
about coats,  
especially in bad  
weather?

How would you  
ride your scooter  
in the school  
grounds?

Where should you  
ride your scooter  
when you are  
in the street?
