

Garden Centre:

Care Instructions:

where: water: sunlight:

colour: notes:

p

The form is a rectangular label with a rounded top. It is divided into several sections. On the left side, there is a large rectangular box for the 'Garden Centre' name. Below this is a smaller rectangular box for a plant code, labeled with a 'p'. On the right side, there is a section for 'Care Instructions' which includes three columns for 'where:', 'water:', and 'sunlight:', each with a corresponding empty box. Below these are two more boxes: 'colour:' and 'notes:', with the 'notes:' box being significantly larger than the 'colour:' box. The entire label is outlined in black and has a grey shaded area at the bottom and on the right side, suggesting it is a 3D object or a page from a book.
